97th AMASI SKILL COURSE & FMAS EXAMINATION (FELLOWSHIP IN MINIMAL ACCESS SURGERY)

Sept 29-Oct 1, 2023

Dear Colleagues,

Society Of Surgeons Of Nepal (SSN) extends a warm welcome to all of you for the 97th AMASI FMAS Skill Course and Fellowship Programme. We are excited to announce that this course will be held in collaboration with AMASI in the beautiful city of Kathmandu, Nepal.

One of the Society Of Surgeons Of Nepal (SSN) primary objectives is to empower surgeons, especially those who are newly appointed, to practice Minimal Access Surgery (MAS) safely and confidently while prioritizing patient safety. We believe that this skill course will provide invaluable knowledge and enhance the techniques of surgeons and gynecologists from Nepal and beyond.

We would like to express our sincere gratitude to the AMASI executive committee for selecting Kathmandu as the venue for this prestigious event and for collaborating with SSN. The 97th AMASI FMAS Skill Course will take place at the esteemed KIST Medical College & Teaching Hospital, located in Mahalaxmi Municipality, Ward No 1, Lalitpur, Nepal, from September 29th to October 1st, 2023.

We invite all esteemed colleagues in the fields of Surgery and Gynecology, as well as budding surgeons and gynecologists, to actively participate in this skill course and make the most of this opportunity to acquire the Fellowship in Minimal Access Surgery offered by AMASI.

On behalf of SSN, I extend my best wishes for a successful and enlightening course.
